

FROM HEART TO WOMB

OPEN HEARTS, ROOTED SOULS,
CREATIVE WOMB

October 16–22/2025
Reserva Caoba, Colombia

HOSTED BY
SENTIR TE SANA & LUMINOUS (BY CB)

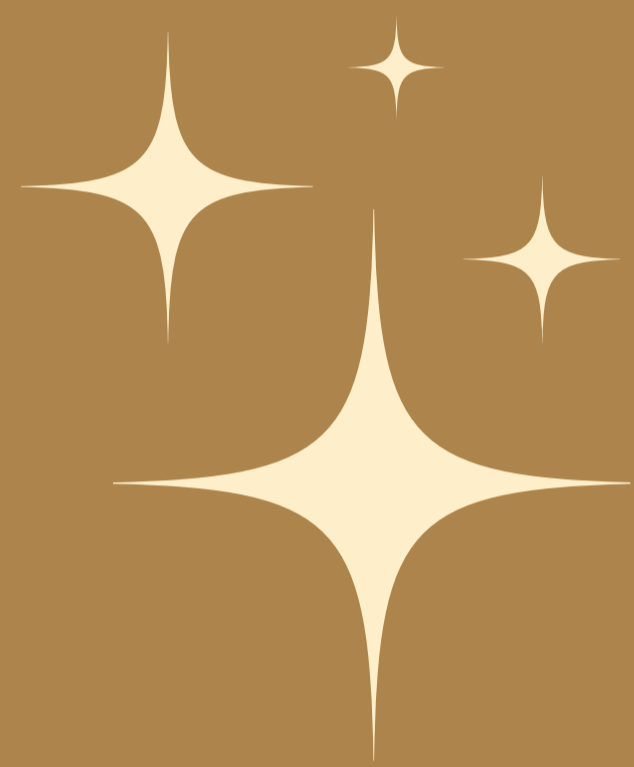

www.luminousbycb.com/htw

Let's journey together into our hearts
and wombs, held by the ancestors of
light within the Heart of the Earth in
Colombia. Together through
ceremony, nourishment, support,
ritual, play, rest and communing with
nature, we will return to harmony
with our feminine receptive and
creative energies, as our hearts
surrender to openness.

THE RETREAT

We are weavers of sacred life threads, uniting spirit and matter through the creative power of the womb. By connecting with the heart of the Earth, we open our own hearts to both give and receive. In this natural, harmonious, abundant and loving weaving flow, we create space to awaken the womb's ability to heal and birth a New Earth, harmonizing the balance within and without, through heart-womb-nature-Spirit alignment and co-creation.

THE VENUE: RESERVA CAOBA

“Located in the Sierra Nevada de Santa Marta we are a successful reforestation project and eco lodge, working with and for the local ecosystem, with sustainability being our priority.”

THE HEART OF THE EARTH

This is where Reserva Caoba, the place that called to us to support us to hold this retreat, is located at. This is considered one of the most sacred territories in South America by many of the Indigenous Peoples that live throughout the Southern Continent. Tucked in the jungles & mountains along the Colombian paradisiac coast, we will deepen our connection to our hearts within The Heart of the Earth.

Here, you'll be transported to a captivating realm of dense, unspoiled nature, nestled within the majestic Sierra Nevada de Santa Marta mountain range. Designated a UNESCO Biosphere Reserve and World Heritage Site in 1979, this extraordinary area gained further recognition in November 2022 when UNESCO honored the Ancestral Knowledge System of the four indigenous peoples of the Sierra Nevada as an Intangible Cultural Heritage of Humanity.
